“ I want to tell you all I'm so very sorry for your loss. Ill always remember Rachel as telling ppl like it is (in her eyes) but nevertheless truth as she believed & brutally honest. Rachel & I didn't see eye to eye in recent years but as I mentioned above she was honest. If she hated you yet you had done something good or noticeable in her eyes she would still speak of your accomplishment true even when she couldnt stand you. Rachel was a very strong woman and I had respect & love for my mother-in-law. My secret song for her was Eagle When She Flies by Dolly Parton. I dont know if she knew that but I wish she had known so she'd known I didn't hate her... I loved her.
