“ For many years, Rob & I spent a lot of time in their woods. From building Rob's house, hunting, to eating mushrooms so we could take a trip and never leave the farm. I grew up with Rob from 6th grade until we graduated.

He went in the Navy, I went in the guards. You can not find a more natural person. We had our differences about woman and at the time I wish I had listened. His dad (Ray) well what can I say Rob was cut from that same piece of clothe. Rob has always been my best friend, I will miss you my friend. Tom & Dale if could ever do anything for you guys,well you understand. You can reach me at papacalvin5964@gmail.com anytime.
