“ All of Robbie's family were dear to us. Robbie was a neighbor to Mary Sue's mother and was thoughtful to come over at her death.. Their mom did a good job raising all of them. I have a lot of sweet memories of each of them at Alcott School. Robbie would walk Cidna to school and held an umbrella over her. A very close family. Sorry to loose Robbie and Carl and I send our sympathies. (I have good memories of all of you, your kids but can't write them all here. Again, so sorry.)
