“ *Qristal.. I will never forget you ever. Thank you for being there when I needed someone to tell me the truth, for not sugar coating things when I needed an ear. Thank you for being such a strong incredible woman and someone that I could look up to. I admired your strength. It is still so hard to believe. Lots of love always.*

I am going to miss you perhaps more then you would ever have thought to realize. The world lost an angel who was more amazing then anyone could really have ever believed or thought possible. I pray your spirit will continue to watch over us all as we keep growing because you truly were a shining light for me and so many.
