“ Grandpa (Pampa),  
I am thankful we got to talk one last time last Saturday. Chris and I love you very much and are thankful that you no longer hurt and are finally resting in heaven. You should take Grandpa Gay fishing, I think you too would have fun. We'll see each other again one day. I always remember and love you.  
Blake is finishing up school and we talked. He was also happy to talk to you one last time and he loves you too.
