“ I will miss my Uncle Sonny very, very much! He was quiet soul, but very kind and generous. He helped me last year during a very dark time for me and I will forever be grateful. Some of my best memories growing up are spending times on his & Auntie Ann's farm in Yucaipa and in their home in Big Bear, hanging out and having family dinners where my Dad and Uncle Sonny would need platters (instead of plates), cause they would pile the food so high, and Uncle Sonny waking us up in the middle of the night blaring Scottish Bagpipe tunes or Paul Roberson on the stereo. Love you Uncle Sonny!....and like Kathy mentioned, give Auntie Ann and Daddy a hug for us.

Also, I want to Thank Sally for taking such good care of Uncle Sonny!!!!

“ My grandfather has been the single most influence of my life. Ever since I was a little boy I wanted to be him. From wearing coveralls, driving the old ford, to even tattooing an anchor on my shoulder just like his, he showed me how to be a man. I will forever be grateful for his guidance and all his teachings. You are my hero and you will be missed. Thanks for being my Gpa
