“ He was such a loving father and spouse for Lisa. There is not enough space to write all the wonderful memories I have of him. I know that he now is his whole self. I would get frustrated when I would lose my sunglasses on a float trip. He would always say "the river giveth and the river taketh away" Such as life. I'll forever miss you uncle Rono.

I remember the wonderful times we had in Chanute. Rono always planned fun outings, fun to be around, and fantastic person. I'll never forget the good times we had.
