

Scott Whitton Hurshman

December 6, 1960 - April 22, 2020

NEOSHO, MO – Scott Whitton Hurshman, of Neosho, MO, fell asleep in death April 22, 2020 at the age of 59. He was born December 6, 1960 to Neil and Nancy Hurshman in Euclid, Ohio. Although his parents would divorce and remarry, Scott came to love every member of his family. Along with his brothers and sister, he was raised by Neil and Grace Hurshman and Nancy and Jim Snyder.

He married Candace Kavon in 1979 and moved to Kansas where, after a personal bible study, he was baptized as one of Jehovah's Witnesses at a convention in Wichita, Kansas in the summer of 1981. They had four children Mark Anthony, Kevin Michael, Erika Robin and Philip Gene Hurshman. Scott and Candace divorced in 2000 but their children resulted in adding four grandchildren to the family.

In March of 2001 Scott married Nancy Redd and his family grew to include three step-daughters, a step-son-in-law and two step-grandchildren.

Throughout his life he enjoyed many joys and privileges. Watching his children and grandchildren grow. Helping others by using his mechanical abilities. And teaching others to come to learn more about the Bible and our Creator was one of his greatest ways of giving. He was his happiest sharing the Kingdom hope (Matthew 6:10).

Scott passed away in his home in Neosho, Missouri with his wife Nancy and his children by his bedside. He succumbed to Glioblastoma Multiform, a deadly brain cancer that he fought courageously for 11 months. He fell asleep

in death peacefully, faithful to his God Jehovah.

He will be missed very much by us all. (Job 14:14, 15).

“ My son John and I extend our sympathy to all of you, we knew Scott for years and always enjoyed his company. He was so funny too, we enjoyed that a lot. Always faithful and that is something to imitate in our own lives. Love to you, Nancy, and all the family.

“ Scott was always so upbuilding and always had a scripture to share about whatever was troubling a person. I will never forget his love for all the friends and his quick and ready smile. It just made you feel better to see it. Yes, we had our differences of opinion but he was always respectful and kind in his words. We loved him and we love Nancy too. She is a tower of strength and a great listener and a good forgiver as we all need to be. My sympathy for the family is immense. Death is the enemy but we always have the resurrection hope and know we will see him again. ❤️❤️🌻🌷
