In Loving Memory of Sharon Lynne Hawman

August 18, 1942-April 29, 2025

It is with heavy hearts that we announce the passing of Sharon Hawman on April 29, 2025,

in Lamar, Missouri. Sharon had fought a long battle with Alzheimer's disease.

Sharon lived a full life growing up in the King City area, farming in that area for many years.

She then moved to the Lock Springs area where she worked as the Postmaster for several

years. Sharon's journey took her to Colorado, Lake of the Ozarks and finally to Jefferson

City where she retired from the Highway Patrol Academy. She was very proud of the

service she provided during those years working in the grounds, housekeeping

departments and as a cook in the cafeteria at the academy.

Sharon never knew a stranger, giving encouragement to those around her, sharing her love

for gardening, cooking and traveling. She will be fondly remembered by those who knew

and loved her.

Sharon is preceded in death by her parents Clayton and Beulah Gibson,

brother Roger

Gibson, sons Mark Hawman and Michael Hawman. She is survived by her sister Judy Gay

(JD), daughter Susan Pittman (Travis), Grandchildren Andrew Pittman, Christopher Pittman

(Lynzy), Haleigh Pittman and great-granddaughter Scout Pittman. Many nieces, nephews and friends.

Please consider a donation to the Alzheimer's Association in her memory.

There will be a celebration of life held on May 18 from 1 to 3 pm at the fire station

community room in Jamesport, MO.

“ To Susan and family. My memories of Sharon are of family and life in the country, on the farm just down the road from where I grew up. She was a great Mom, a very good cook, and she had a green thumb! I remember driving a carload of kids and hearing Susan, speaking about Sharon, 'her says her will spank us but her never does'. I always enjoyed the meals she prepared, two things that come to mind are her coleslaw and homemade ice cream. I believe we will spend eternity in Heaven.

“ I'll never forget when Sharon and her family lived in a converted schoolhouse in Lock Springs and raised earthworms in the gymnasium. I thought it was so cool back then as I do today.  
RIP Sharon
