“ I have so many fond memories of Sylinda, it would take a novel to share them all. One of my memories was how she always wanted to go out to eat. We went to Sonic a lot. Before it was closed, her family took her to Grand Fortuna in Springfield, MO as often as they could. It was gone by the time I moved over here, so I never got to try it. I'm sure she is enjoying all her favorites now. I really loved working with her. She was funny, and bright, sneaky, and lovable, all rolled into one person. I've been missing her since I moved, and join all those who loved her in missing her now.

“ My deepest sympathy goes out to you in the loss of Sylinda. I remember her as an active, happy child with a big heart for her family. She gave the biggest bear hugs ever! I'm sure she will be missed.
