

## Tammi S. Dunlavy

December 31, 1957 - November 2, 2022

It is with sadness and a few regrets that we announce the passing of our mother.

Tammi Sue Dunlavy, 64, passed away on Nov 1, 2022 at Freeman Hospital.

Tammi was born December 31, 1957 to Patricia "Sue" Turner and the late Johnny L. Turner at Jane Chinn hospital in Webb City, Mo.

Tammi was a graduate of Webb City High School. Later in life she earned her nursing degree at Missouri Southern State College.

She was an excellent nurse. Although she initially enjoyed the excitement of the emergency department, her time as a home health nurse working with elderly patients meant the most to her. She built relationships with them and felt the loss of each one.

She loved her furbabies. Lily, Hector and Cody miss her terribly.

She is survived by her son, Mike Moore and his wife Amanda of Carl Junction and two daughters Amanda Friel and Melanie Tandy, both of Webb City.

Additional survivors include her grandchildren: Zachary and Nicholas Moore; Johnny, Jimmy, Joey and Carly Friel; and Alex Tandy and Emma Moore.

Additionally she is survived by Jim Dunlavy, who continues to love her even

after death.
