

Teddy J. Campbell

February 19, 1947 - September 23, 2021

Teddy (Mobeck) Campbell was born February 19, 1947 and gained her wings on September 23, 2021. She was many things to everyone, daughter, sister, wife, mother, grandma, great grandma, cousin, aunt, and friend.

Teddy was the oldest of nine children. and an amazing mother to six children. Teresa Burkhart, Tyrone Campbell, Wesley and Joanna Campbell, Leland and Tracy Campbell, Wendy Campbell, Jessie Campbell and her partner Joesph Thomas. She had fifteen grandchildren and sixteen great grandchildren. Many nieces and nephews.

Teddy worked hard to do her best to make sure her children had what they needed. Even tho she worked a lot she always found time for her family and friends. Teddy enjoyed doing arts and crafts, collecting salt and pepper shakers and hippos. During her stay at the assisted living she continued to do her arts and crafts, and also started painting again. Everytime we would go to visit, she would be excited to show us what she painted and new techniques she had learned.

Teddy was and always will be loved by many, we have heard many stories of how she influenced or helped many people. One story we heard was how she use to sweet talk her favorite nurse into sneaking in her some Dr. Pepper from time to time.

We love you and you will be missed everyday by everyone. Fly high our Angel
