I am shocked to hear the news about Terry. George Downey introduced me to Terry in 1974 we were close friends for years. We went to Texas together. And you guys are so right he was a great guy . He would do anything for anyone. I'm so sorry for your loss I know he will be deeply missed. its been over 30 years since I seen him and I am touched deeply over this sad news.

God will help you during this horrible time! I will be praying for you all.
