“ I will miss him, I am glad I had the privilege of knowing him for many years, wish I had seen him more in the past few years. He was the most educated preacher I have ever met. He taught me more Bible history than any other. In my younger days I attended his nazerine church on 28 th & Connecticut and enjoyed every Sunday spent with him, when he left and went on to better things I lost contact with him till he moved back to Joplin, leaving to see him occasionally till he fell into bad health. A great man who made a big difference in many peoples life. Latter Bro. Tinker.

“ Tom was a great leader on the Joplin district while I was growing up. He was my favorite quizmaster in teen quizzing because he would give me the benefit of the doubt when I gave my answers. He also let me be a counselor at kids camp many times, and I am grateful for that experience. To Donna, Cherie, Becky, Randy, it's a great honor to have you as friends. My condolences and prayers to you at this time.
