

Timothy Lee Cashion

March 7, 1970 - January 21, 2025

Timothy (Tim) Lee Cashion entered heaven on Tuesday, January 21, 2025. Tim was born in St. Louis Missouri to Don R. Cashion and Mary Whitehead Cashion on March 7, 1970. The family relocated to Southeast Kansas when Tim was 5. He attended school at Southeast and graduated in 1988. Tim was a football letterman all 4 years in high school. Tim later attended PSU, earning himself a bachelor's degree of science in technology with a concentration in environment and safety management, leading him to teach OSHA at a Barton Community College. Throughout his life, Tim worked as a journeyman operator at several local printing companies, including Calibrated Forms, KBFI, and he also worked for Doanes Dog Food in Galena. In his younger days, Tim was a bouncer at multiple nightclubs, including Gussies and J-Livingstons. Tim put his heart and soul in every endeavor he took on, with a passion that is rarely witnessed. His perspicacity made him the best at everything he did. Tim spent his final days in the rural Oklahoma countryside accompanied by his dedicated companions, Sugar Bear and Toulee. He enjoyed electro-gardening, visiting, having a cold beer and smoke, jamming music, day-dreaming, and hanging out with his friends. He spent countless hours in his telegram chat group, taking to his Patriot friends from all over the world. He made special bonds with many, including his buddy Bush Turkey (Australia) and his dear friend Gina. Tim is survived by a wife, 2 sisters, 1 brother, and many more extended family and friends. He will be missed by all who knew him. A celebration of life/birthday party for Tim is scheduled by his

friends for March 7th, Tim's birthday. Burial will be at Hosey Hill cemetery, in Weir Kansas, at a later date.
