“ My heart breaks for y'all. Tommy was one in a million and he was my birthday buddy. I will never forget when Tommy, Jennifer and I went to dinner one night. He ordered the fish at a Mexican restaurant and I just couldn't believe it when it came out. It was a whole fish, eyeballs and all and he thought it was so funny how squeamish I was about it. We all had great laughs over it. I truly am sorry for your loss and pray that God can bring y'all some comfort now and through the difficult times ahead.
