

Troy L. Peterson

January 20, 1973 - September 11, 2023

Troy Lee Peterson, age 50, passed away peacefully on September 11, 2023 surrounded by family and loved ones. Troy was born on January 20, 1973 to Roy and Jeanne Peterson. Troy grew up in Joplin MO and attended both Joplin High School and MSSU. Troy was an exceptional athlete. He played soccer, baseball, basketball, and ran track. Troy had many friends growing up throughout all the years of playing sports and throughout high school and college. Troy's most recent employer was Frito-Lay where he worked for many years and enjoyed working alongside his fellow employees. He loved animals and had many throughout the years as well. He absolutely loved watching his Pittsburg Steelers, but also enjoyed watching most sports including the KC Royals and NASCAR. Troy's most treasured accomplishment, however, is being the father to his two children Emma and Wesley Peterson; they were his heart and soul and the bond they share will never be broken.

Troy Lee Peterson was preceded in death by his mother Jeanne Kay Peterson; grandparents Don and Hazel Moore; grandparents Roy and Dorothy Peterson; uncle John Peterson; uncle Rick Grove and several other beloved family members.

Troy Lee Peterson is survived by his daughter Emma Peterson of Joplin, MO; son Wesley Peterson of Joplin, MO; Father Roy Peterson of Joplin MO; Sister Gina Kuhlmann and spouse Valerie Kuhlmann of Springfield MO; Aunt and Uncle Linda and Newt White of Carl Junction; Aunt Donna Grove of Webb City and several cousins and extended family members and friends.

A Celebration of Life will take place on September 15th at The Madison Suite in Webb City MO from 5pm-7pm. Please join us to celebrate Troy and to honor his memory.

“ I am at a loss for words. My sympathy goes out to all his family. I will never forget all the proms, with his Mom & I making sure the dresses & boutinere matched perfectly. He made many trips to Table Rock Lake with us, along with an extended trip to Mexico & Padre Island. He got so sunburn he wanted to take a bus home! We all shared many laughs about that. He spent much time at our house swimming and just being part of our family. I will always remember him being so kind and helpful, a handsome, perfect gentleman. I know you're in a better place now. Hug your Mom, Jeanne for me. Fond thoughts to Gina, Roy, Emma, Wesley, Linda & Donna. ❤️😭🌹
