“ Troy was my colleague and dear friend when we worked for Taco John's. One memory is forever wiyh me. I'm LDS and didn't have much exposure to the Catholic faith or vernacular. One time Troy was talking about CYO. I had no idea what that stood for. He asked me what I thought it meant, I replied "um, cover your organ?" Troy laughed and giggled for at least 5 solid minutes. I will always remember that laugh. Bless you my friend.
