“ *I'm not really sure what to say... my heart is shattered into a million pieces since you passed but I am glad to have been able to call you my mom!! You have ALWAYS been here for me and I'm glad that we moved back so I could be with you more during this horrible disease! I miss you so bad but I am glad you are no longer suffering!!! I love you mom!!*

“ Vicci was the glue that held our family together. Always there when one of us needed something or telling it like was. She also was a caring and loving person who will be missed by many. The family "Get Togethers" will not be the same without her infectious laugh and her to organize them. But we know that Heaven gained a very Special Angel that day. We Love You and Miss You Dearly.
