“ As most of you know my sister Yolanda, I called her yoyo!!! Yoyo had a love for people and being the life of the party!! Why if the pope came to visit her, she would have him dancing!! Family this is a great lost to us, but a greater gain for heaven!! We'll see her again, but we have to continue the fight for the love of Jesus!! When Yoyo worshipped and praise God she was not ashamed of the lord Jesus Christ!!! That I will miss, our praying together and her daily testimonies she would share from something the lord showed are shared with her!! We'll miss her laughter, taking care of us and making sure you have food, that fit any accessions!! Speaking of food, Yoyo is with food that we not yet tasted, amen!! But, one day we'll all be going home, to a home with streets of gold!! If you knew Yoyo she's working on the prettiest flower garden!!
