“ I’m so sorry for the passing of Yvonne. She was a beautiful friend and will be dearly missed. Yvonne was so thoughtful, caring, and giving. I have so many wonderful memories from our days of working together at Southwest City. She sure could plan and put on a meal for all of us and it was always tasty. She was such a sharing person and for months she sent numerous care packages to the troops in Afaganistan. I feel honored to have known her. I will always remember Yvonne for her laughter and she’ll always have a special place in my heart.
